COMPUTER USES

The infographic features a central image of a desktop computer system (monitor, tower, keyboard, mouse) with eight arrows pointing outwards to surrounding boxes. Each box represents a different use of a computer:

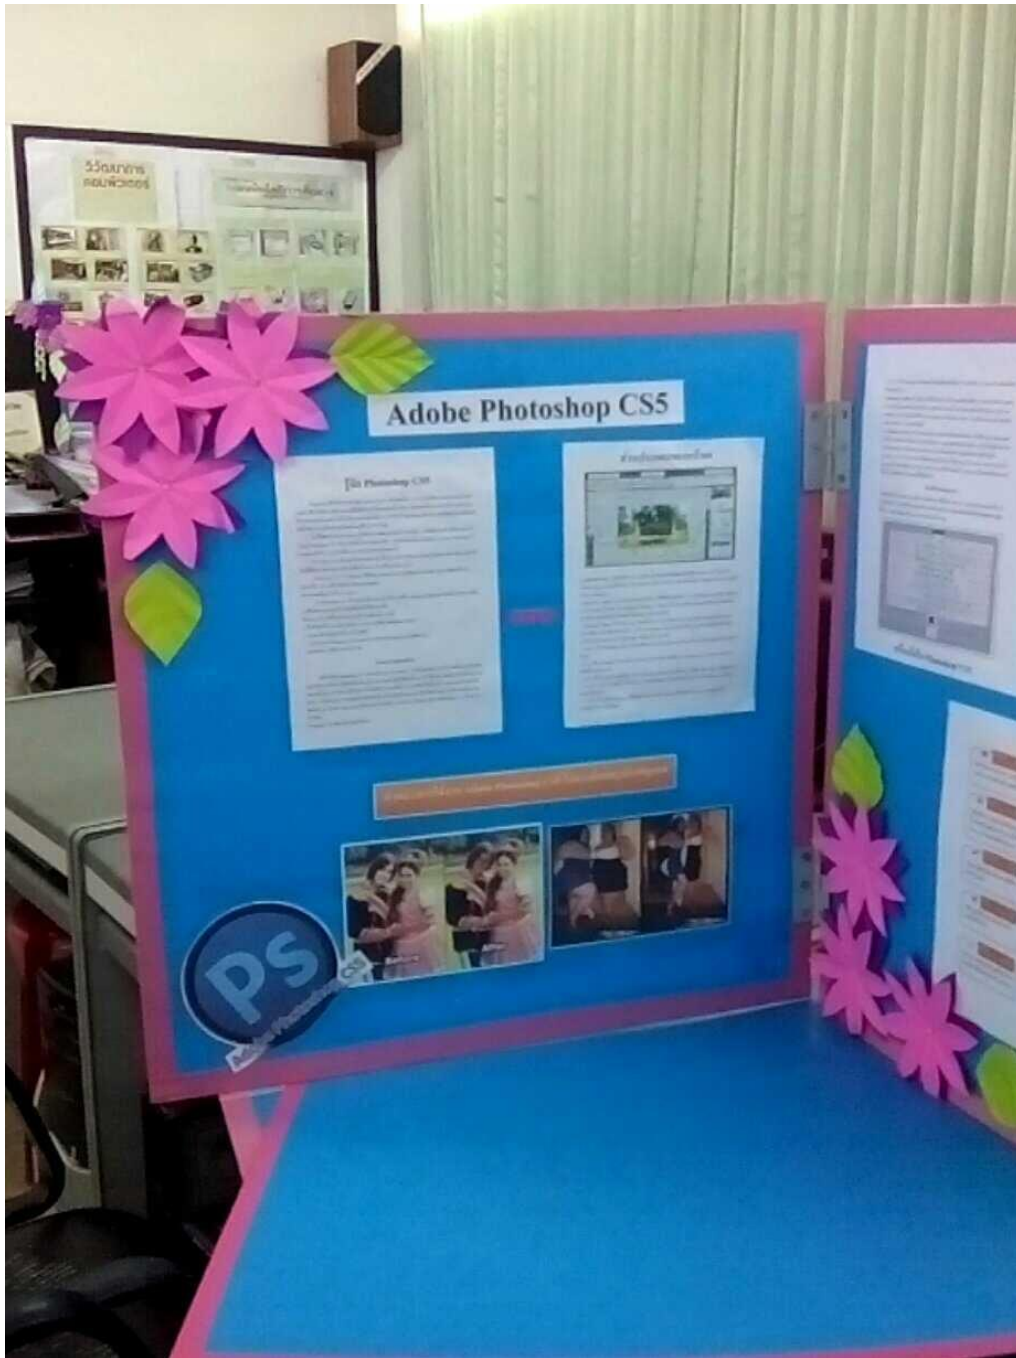

- Communicate:** Includes icons for E-mail, Social media, Chat rooms, and VoIP.
- Draw & Paint:** Includes icons for drawing tools like a pencil, eraser, and brush.
- Watch & Edit Video:** Includes an icon of a clapperboard and a play button.
- Play Music:** Includes an icon of a hand holding a pen and a speaker.
- Edit Photos:** Includes an icon of a person and a photo editing tool.
- Calculate:** Includes an icon of a calculator.
- Blog:** Includes an icon of the word 'BLOG' in colorful letters.
- Play Games:** Includes an icon of a video game controller.
- Store Records:** Includes an icon of a filing cabinet.
- Research:** Includes an icon of a magnifying glass and a search bar.
- Write:** Includes an icon of a document.
- Make & Edit Music:** Includes an icon of a keyboard.

Can you think of other uses?
